

Other Types of Vehicles Facts List

Lorries	
1	If it's a wet road, spray from the lorry will make it hard to see
2	Keep well back from a lorry for a better view of the road ahead
3	Lorries take a different path when turning or going around roundabouts. Keep well back and give them space
Buses	
4	Watch out for pedestrians when approaching a bus stop
5	Look for the bus signalling to move off and allow it to pull away if it's safe
Caravans	
6	When towing a caravan, extended-arm side mirrors will help you to see more in your side mirrors
Trams	
7	Tram drivers follow diamond shape signs
8	Trams cannot steer to avoid pedestrians or cars
Side Winds	
9	Side wind can affect cyclists, motorcyclists and high sided vehicles.
Other	
10	Use dipped headlights when its wet, to make it easier for you to be seen
